## Hockey

SEnior<br>Scores

| Srnior | 8 | Sophomore |
| :---: | :---: | :---: |
| Senior | 18 | Freshman |

In spite of practice house and practice teaching, the seniors turned out well for hockey. They did good work and their outstanding plays were made between the left wing and left inside-Herring and Wilson. Some claim that the luck of the team disappeared with the Red Rooster!

## Hockey

Junior
Scores

| Junior | 17 | Freshman |
| :---: | :---: | :---: |
| Janior | 11 | Sophomore |
| Junior | 4 | Senior |

The Junior team had a good peppy season moder the leadership of the managerRuth Faires. Three well played games brought them the Championship. and grlory to the Blue and Gray. "Ruthie" simply held the tean together, and everybody played their hardest when she was on the field. Let's keep it up. Bulldogs, and work hard next year.

## Basketball

## GENior

The seniors, who have held the championship since they were freshmen, are working hard again this vear. They have had practically the same team all the time, and we are looking forward to the games with great eagerness. It is the last time we will meet on the field, team, so do your best!

## Basketball

## Jどлion

The Juniors haven't won the championship, but they surely put up a good fight. and play a good game-clean. honest. and quick work. We gave them a scare last year, so come on team. let's do our best now.

## Basketball

SOPHOMOHE
Well. Sophomores, you are doing good work; keep it up -and you will have to do it if sou are going to follow the pace that your "Bige Sisters" hase set.

## Basketball

Freshian
We haven't seen you play in an official game yet, but if you are as plucky and as good sports as you were in hockey, you will surely make a name for yourselvesalthough you have really already made it.

## Archery

In spite of heing our newest sport. Archery is one of the most popular. 'The Archery Club is lively and wide awake-tournaments, contests, trips to Piachurst, and having big people here art only a few of the things they pat on. We are interested in its development, and from the girls on the range each day we are confident that we are correct in saying that archery is in the first ranks of popularity.

## Tennis

There has been unnsual interest in temnis this year. We started off in the fall with lots of pep, and an added feature, the beginners class. There is to be a begimers tournament early in the spring, and a loving cup is to be awarded to the champion. Here's your chance beginners.

Of course we will also have the hig tournament and we are anticipating some good games-single-doubles.
